

CSIA Conference Speaker Application & Guidelines

The California Self Insurers Association has supported the interests of workers’ compensation self-insurers since 1949. We welcome speakers in a wide variety of topics that are geared towards the specific needs of our members. Requests to present at the CSIA Annual Meeting will be reviewed by the CSIA Program Committee. Sessions may be limited to 50 minutes for individual speakers and 90 minutes for panel presentations but depending on the topic those timeframes may be amended.

All proposed speakers must submit a bio including prior speaking engagements along with this Application.

Selection Criteria

Proposals will be selected based on the following:

- Topic is innovative, current, cutting edge, engaging and relevant to self-insurers, claims administrators, adjusters, and attorneys in the management of workers’ compensation claims
- Proposal contains specific “take-aways” for the audience that will improve risk management, safety, claims handling and performance
- Speaker(s) is/are passionate about the topic
- Topics are eligible for continuing education credits for adjusters and attorneys
- Preference may be given to speakers who are members of CSIA
- If you are presenting in a panel format you must have one self-insured employer as part of the panel

Speakers must conform to the following guidelines:

- Refrain from any direct marketing of a product or service during the presentation and in the presentation slides
- Provide content by the print deadlines, which will be provided upon selection of the topic
- Presented using only the CSIA Template
